

About Me

My name is **Abdulaziz Omar AL-Thomali**, Computer Science student at **Taif University**, currently in my final year of study. I am driven by a passion for continuous learning and exploration in the world of technology.

I have a particular interest in **web development** and **UI/UX design**, with an enthusiasm for mastering modern tools and frameworks. Additionally, I am fascinated by the field of **Artificial Intelligence** and its diverse branches, striving to integrate AI into intelligent, real-world applications.

At present, I am actively enrolled in a **Full-Stack Robot Development training program** provided by **Smart Methods**, gaining hands-on experience in building dynamic, intelligent systems.

Education

- **High School Certificate** — 2021
- **Bachelor's Degree in Computer Science** — Expected 2026

Skills

- C++ Programming
- Python Programming
- HTML, CSS, JavaScript
- UI/UX Design
- Robot Engineering
- Machine Learning
